## LIONS OFFICIAL IS LUNCHEON SPEAKER HERE

Second Vice President Herbert C. Petry, Jr., of Lions International was the guest of honor at a luncheon meeting of the Gettysburg Lions club at noon today at Banker's restaurant. About 80 Lion and guests attended.

"With some organizations in this world dedicated to destruction and tearing down established institutions, we may give thanks that there are more than a million and a half business and professional men in the world banded together to render unselfish service without thought of pay or remuneration of any kind," the Carrizo Spring, Texas, attorney told the Lions.

"I don't know what is in the future in the way of depressions, inflations, recessions or booms and I don't know whether there's going to be another war, but I do know that whatever our future may be there will be a place in it for the performing of unselfish service by organizations of men dedicated to the building of good will."

**Going to York**  
Petry was introduced by District Governor Robert Snider of Mont Alto. Other guests introduced by D. E. Hess, president of the local club included Mrs. Snider; President George Brown of the York Lions club; Dr. Frederick Tilberg who guided Petry and his party over the Gettysburg Battlefield this morning; President Rowe Martin of the Upper Adams Lions club and Vice President Harry Geiselman of the same club.

President Brown announced plans for the regional Lions party at York tonight when Lions and their ladies from more than 300 clubs are expected to gather in the Valencia ball room for a three-hour entertainment program that will include an address by Vice President Petry. A large delegation will attend from Gettysburg.

A committee of local Lions headed by C. Paul Cessna, a former district governor, made arrangements for Petry's entertainment here today and accompanied him on the battlefield trip. The luncheon meeting takes the place of the usual Monday evening dinner session for the local club.

## Composer Dies

Franz Lehar (below), composer of "The Merry Widow" and one of the last links with the light-hearted music of Vienna's past, died in Bad Ischl, Austria. He was 78.

## HANOVER GIRL BRIDE OF LOCAL MAN SATURDAY

Miss Evelyn Bealing, daughter of Mr. and Mrs. Lloyd Bealing, Sr., Hanover, and Elman Williams, son of Mr. and Mrs. Meader I. Williams, 228 Buford avenue, were united in marriage Saturday afternoon at 4 o'clock in St. Matthew's Lutheran church, Hanover. The Rev. Dr. Harry Hursh Beidleman performed the double ring ceremony.

The altar was decorated with chrysanthemums and candelabra. Pews were decorated with satin ribbons and pom-poms. The service was performed by candlelight with Miss Daisy Straley, assistant organist, playing the traditional wedding marches and "At Dawning" and "Oh Promise Me."

Given in marriage by her brother, Lloyd C. Bealing, Jr., of the United States Marine Corps, Quantico, Va., the bride wore a heavy slipper satin gown with an off-shoulder effect and a net yoke bertha of lace, a bustle back and a full skirt ending in a long train. Her illusion net veil was attached to a coronet of orange blossoms. She carried an arm bouquet of red roses with an orchid center and wore a string of pearls, a gift of the bridegroom.

Miss Frances Bealing, a sister of the bride, was maid of honor. She wore a pink taffeta gown with sweetheart neckline, a tight fitting bodice and a full skirt. She carried a bouquet of Japanese "mums" and pink rosebuds and wore a matching hat and mitts.

## STATE OFFICE IS GIVEN GHS

Defeating Allentown high and William Penn high of York, Gettysburg high school was selected for the treasurership of the Pennsylvania association of Student Participation in School Government at the 12th annual conference which ended Saturday in Altoona. As president of the student body here, Bruce Westerdahl will fill the office.

It was Gettysburg high school's first office in the state organization which had more than 600 delegates at the two-day Altoona meeting. Coatesville was chosen for the 1949 session.

Four Gettysburg high school students and a faculty member attended the Altoona meeting which was conducted on the theme "Student Participation—The Backbone of Democracy." The only non-student appearing on the program was Dr. Harry C. McKeown, author of books on student activities, who led a discussion on "What Ails Your Backbone?"

The Gettysburg representatives were Miss Ruth McIlhenny, faculty advisor; and Harold and Donald Raffensperger, Helen Cole and Arlene Lewis. Donald Raffensperger was one of the leaders for a discussion group which talked over the extent to which student councils should aid in orientation of new students.

Faculty sponsor for the state organization is Harold J. Pegg, of Roosevelt Junior high school of Altoona. Mrs. Pegg and their daughter resided in Gettysburg during Col. Pegg's service in the army in World War II.

Dr. Joseph Baker will speak on "One Hundred Years of Medical Progress in Pennsylvania" this evening at the regular meeting of Rotary in the YWCA at 6 o'clock.

## M'SHERRYSTOWN BOY SCOUTS ARE HONORED AGAIN

Boy Scouts of the Harrisburg Catholic Diocese a thousand strong paraded from the Catholic Youth Center to the Forum in Harrisburg, Sunday afternoon for their annual service of "Rededication to Christ" and presentation of awards.

Troop No. 107, of the Annunciation of the Blessed Virgin Mary Parish, McSherrystown, was honored as "The Bishop's Troop" for the second consecutive year and received the flag of the Bishop's troop from Msgr. Peter S. Huegel in the absence of the Most Rev. George L. Leech, Bishop of the Diocese, who is ill.

The troop was cited for continued high standards and its eight winners of Advance Ad Altare Dei awards and three Ad Altare Dei awards. The Cub pack of the parish also was cited.

**More Than A Play World**  
The Rt. Rev. Msgr. George D. Mulcahy, Chancellor of the Diocese and former Diocesan Chaplain of Scouting, told the boys, "We are not old enough to know that there is no easy answer to the proper formation of young lives." Of adults who say boys want only to "play sports, listen to the radio, read comics and go to the movies, some might as well give them what they want," he said "they are only trying to escape their responsibilities."

"Scouting is a long step above such aimless and often mischievous activities into the realm of a motivated play world," he declared. "In scouting, while enjoying ourselves thoroughly, we acquire certain skills, techniques and even virtues which prepare us for the battle of life."

**Bishop's Message**  
Bishop Leech, in a message read by the Rev. Lawrence F. Schott, first diocesan chaplain of scouting, told the Scouts, "You are a genuine delight to Christ, your King, a credit to your parishes and families and an inspiration to all Americans."

"This ceremony," wrote the Bishop, "shows the essential purpose of man's life on earth."  
The Rev. Frederick R. Bradel, Carlisle, director of youth activities in the diocese, presided. Other members of the Bishop's Committee on Boy Scouting, who planned the service, are Albert S. Schmidt, Harrisburg, diocese lay chairman; the Rev. William Lyons, St. Francis church, Harrisburg, area youth director; and Charles Keller, Harrisburg, area chairman.

Among the troops honored for commendable records were Troop 106, Paradise Protectors, and 82, Conecawga Chapel.

Maj. Thomas Martin, superintendent of the State Police Training School at Hershey, was grand marshal of the parade.

## Last Rites Held For Bobby Crouse

Funeral services for Bobby L. Crouse, 21, Gettysburg R. 1, a navy veteran, who died last Thursday afternoon at the Warner hospital from a complication of diseases, were held at 10 o'clock this morning from the Bender funeral home, conducted by the Rev. Dr. Ralph R. Gresh. Interment in the National cemetery.

The pallbearers were Fred, Earl, Ned and Ross Crouse, all brothers, and Irvin Conover and James Munsbarger, Jr., brothers-in-law of the deceased. Military rites were held by the Albert J. Lentz American Legion post.

The color guard was composed of Harold Wentz, Clarence Sadler, Wilbur Geiselman and Roy Alexander. Members of the firing squad, in charge of Capt. C. Arthur Brame, were Glenn A. Fortney, Bernard Murray, Leo Gulden, Robert Epley, C. Arthur Brame, Jr., Harry Oyler, Harry E. Bender and Grover Ridler. M/Sgt. William Baldwin, chief trumpeter for the Sons of Union Veterans Reserves, sounded taps.

## Firemen Called To Blaze At Garage

The Gettysburg fire company was called at 4:30 o'clock Saturday afternoon to extinguish a blaze at the Hunt avenue garage, along the Littlestown road. Fred Spaulding, part owner of the garage, narrowly escaped serious injury when a gasoline soaked rag with which he was cleaning a section of floor burst into flame. His hair was singed by the sudden flash. A stove was damaged and smoke blackened paint. Spaulding and Herbert Wolf, co-partner in the operation of the garage, with several others, succeeded in getting the blaze under control before the fire company arrived.

**BROTHER-IN-LAW DIES**  
Mr. and Mrs. Edward L. Culver, Hanover street, were called to Stillersburg, Md., Sunday by the death of Mr. Culver's brother-in-law William F. Harding.

## Week-End Tourist Traffic Attains Mid-Summer Volume

Automobile traffic Sunday on the main highways through Gettysburg and on the battlefield was close to mid-summer volume, state police of the Gettysburg sub-station, and national park officials, reported today.

An urge on the part of many motorists to take advantage of what might be one of the last perfect fall days before winter was attributed by officials for the heavy volume of traffic.

Mild weather, coupled with the unsurpassed coloring of the fall foliage on the battlefield, along the highways and in the mountains, was the incentive to many to "roll out" the family car for a Sunday trip.

Battlefield travel was only slightly below the totals for the preceding week-end, according to figures compiled by Vernon Lunt, superintendent of the National cemetery.

**Battlefield Figures**  
An estimated 2,380 persons visited the battlefield Sunday, compared with 2,996 the previous Sunday. The Saturday total was estimated at 1,176, compared with 2,072 on October 16.

The week-end total was 3,556 persons. The total for the previous week was 5,068. There was a total of 515 tourists in guided trips over the battlefield this past week-end.

## DR. LINDQUIST PREACHES HERE SUNDAY EVENING

Dr. Raymond Irvin Lindquist, pastor of historic First Presbyterian church at Orange, N. J., talked about the love of God—"The Love That Cannot Fail"—Sunday evening in the Methodist church as the speaker on the Methodist-Presbyterian Sunday Evening Hour.

Before a large congregation, Dr. Lindquist preached on the last two verses of the eighth chapter of Romans that describe barriers that cannot "separate us from the love of God."

"Make such an estimate of life that you will have a realistic evaluation that takes into account the certainty of death," he said. "Prepare for any emergency, keep your house in order and then live serenely in the strength and knowledge of the Love of God."

**Choir Next Week**  
Making frequent use of illustrative stories and appropriate quotations, Dr. Lindquist demonstrated to the congregation the basis of his reputation as one of the ablest preachers in the nation. He is the Holy Week speaker in the Harrisburg Forum each year.

The service was conducted by the Rev. Floyd A. Carroll, host pastor, and the Rev. Harry S. Ecker, Lower Marsh Creek Presbyterian pastor who appeared for the local Presbyterian church. The Methodist choir presented a special anthem.

The Rev. Mr. Carroll announced that next Sunday at 4 p. m. the Hagertown a cappella choir will sing in the Methodist church as the Sunday Evening Hour attraction. The hour is being advanced so as not to conflict with the union Reformation Day service in the Majestic theatre next Sunday evening.

**ART CLASSES BEGIN**  
The first adult art class to be held under sponsorship of the Gettysburg Recreation Association will be held this evening at 7:30 o'clock in the recreation center in the First National bank building. All persons interested in the course on art to be taught by Richard Krick, supervisor of art for the Gettysburg public schools are urged to attend the opening session.

**Paris, Oct. 25 (AP)—Russia's Andrei Y. Vishinsky told the Security Council today he is prepared to veto a small power compromise resolution on the Berlin crisis if it is brought to a vote.**

With both arms flailing the air, Vishinsky denounced a six-nation resolution aimed at settling the crisis arising from the Soviet blockade of Berlin. He said it was unfair to Russia.

Vishinsky said the Berlin Question should never have been brought before the Security Council in the first place. Earlier, an authoritative source said the three western powers had rejected a Russian counterproposal for ending the blockade.

The Soviet deputy foreign minister said his main objection to the six-nation proposal was that, while the blockade was to be raised at once, "only talks will be organized" immediately on the currency reform demanded by the Russians.

"We cannot accept that," he declared.

## Seek Home For 7-Year-Old Boy

An appeal was made today by Miss Christine Cunningham, Child Welfare secretary, for a couple desiring to rear a child not their own.

The Child Welfare association is seeking to place a seven-year-old boy with behavior problems who the association believes may improve in a home where complete acceptance is given him. The youngster is of the Catholic faith.

Any couple desiring to provide a home for the child is asked to write Miss Cunningham at the Murphy building on Baltimore street or telephone 59-X. All applications will be given serious consideration.

## ONE OF FOUR AAA MEMBERS USE ROAD SERVICE

Nearly one out of every four members of the Gettysburg Motor club used AAA emergency road service during the past year, it was revealed when the local AAA club turned in its biggest record of service.

Of the 115 instances of emergency road service extended to local members, 45 occurred in other areas where the service was supplied by other AAA clubs or affiliated service establishments.

"AAA service follows the member wherever he may be," commented Miss Helen Spangler, secretary of the local club, "and our members' needs were supplied by affiliated clubs and service units in nearly all parts of the United States, far and near, just the same as though they were here at home."

Miss Spangler's report for the year also showed that nearly as many members of other AAA clubs had occasion to call the Gettysburg club for emergency road service while touring in this area.

**Had Busiest Year**  
"In these cases, our local affiliated service units took care of their requirements with the same degree of promptness as they would find in their own localities with the expenses paid by their local club," Miss Spangler explained.

The local AAA office had its busiest year in supplying travel information and preparing motor routes for local and visiting AAA members.

The travel information facilities of the Gettysburg club were used by thousands of AAA members and huge volumes of maps and folders were supplied.

The aggregate mileage of the routes supplied will run into the millions, according to the records of the clubs.

**Seek Travel Data**  
"Travel information is of increasing importance what with the large amount of construction going on all over the country," Miss Spangler stated.

"Our records do not show either the number of travel services extended our members by other clubs and the mileage of routing given, but they are substantial."

"The saving in time, distance and the expense of travel by having up-to-date and accurate information in these days of detours and one-way traffic, due to construction, cannot be estimated."

The membership of the local club is now well past the 600 mark. For many years the Gettysburg club has maintained one of the highest ratios in AAA circles for percentage of renewals.

## Seek Relatives Of "Stranded" Girl

Chief of Police Robert C. Harpster was requested this morning by Pennsylvania railroad police at Harrisburg to locate Harold D. Hanen, Gettysburg R. 3, whose niece, Mary Hanen, nine years old, was reported "stranded" in Harrisburg.

Harpster said the child was en route from her home in Webster City, Iowa, to visit her uncle, and arrived in Harrisburg at 2:50 o'clock this morning. Railroad police said the child had no money to complete her journey, according to Harpster. They were caring for her until relatives here could be notified.

## PAYS TWO FINES

C., are in Gettysburg, for the Fall Travel Counselors' school which opened this morning and will continue through Wednesday at the Hotel Gettysburg under the sponsorship of the Pennsylvania Motor Federation, with which the AAA automobile clubs in the Commonwealth are affiliated.

Held semi-annually to provide travel counselors with the latest, most up-to-date information available, the present three-day session got underway Sunday night with the showing of color films by C. A. Laughlin, of Shippensburg, which he took this year while on one of the AAA tours to the West Coast.

**Scharf Welcomes Visitors**  
Charles E. Pugh, of the Pennsylvania Motor Federation, Harrisburg, the state AAA unit which comprises more than 300,000 members and of which the Gettysburg Motor Club is a member unit, presided at this morning's meeting and is directing the sessions.

Henry M. Scharf, president of the Gettysburg Motor club and manager of Hotel Gettysburg, welcomed the travel counselors to Gettysburg on behalf of the Gettysburg club, the community, the hotel and its staff.

Mr. Scharf congratulated the counselors on the opportunity that is theirs to help defeat subversive elements and false doctrines.

**Urges Knowledge of History**  
"If our people can only see America and understand it, if they can gain the inspiration of our historic shrines, they will recognize why this nation is the greatest on the globe and what made it so. Subversive activities and false doctrines cannot prevail among a people who know their history and have the love of country gained by seeing it and understanding it," he said.

Mr. Scharf said Gettysburg maintains its place as one of the great travel objectives of the country and as America's greatest historic shrine.

"Here at Gettysburg was laid not only the foundation of the modern science of war but also the groundwork for American principles of government and the precepts of peace between peoples of divergent interests," he declared.

**"Sell America"**  
Travel counselors have a responsibility to world peace, Mr. Scharf pointed out, "for while travel is one of our largest domestic industries, it is likewise our largest export."

"In the immediate future there will be more American dollars spent in foreign countries for travel than for the import of foreign goods of all kinds."

"Foreign travel will be competitive to American travel but if the security of America depends on domestic travel the peace of the world is likewise dependent on foreign travel. Hence, you folks who direct so much of the travel of this country have the double duty of selling America and participating in the program (Please Turn To Page 8)

## REV. V. SWENSON IS INSTALLED

The Rev. Viggo Swenson was installed Sunday night as pastor of Zion Lutheran church, Harrisburg.

At the evening worship service in the church, the Rev. Dr. Dwight F. Putman, president of the Central Pennsylvania Synod, United Lutheran church in America, received into the church membership the Rev. Mr. Swensen, his wife, and their three children, Robert, 12, Thomas, 10, and Nancy, 7.

Doctor Putman then preached the charge to the Rev. Mr. Swensen and installed him as pastor. Liturgist was the Rev. Dr. William Van Horn Davies, pastor of Messiah Lutheran church, a classmate of the Rev. Mr. Swensen at Gettysburg college and the Lutheran Theological Seminary, Gettysburg.

The Rev. Dr. Abdel Ross Wentz, president of Gettysburg seminary, issued the charge to the congregation at the morning worship service. Ross Fisher, baritone, was guest soloist. Mrs. Mary Jelley Good presided at the organ.

CONTESTS FOR FISCAL OFFICES RAGE IN STATE

By JOHN R. DIETRICK  
Harrisburg, Oct. 25 (AP)—Democrats and Republicans dug in today for the homestretch drive to gain control of Pennsylvania's top fiscal posts—last Democratic toehold in the state government.

The contests for auditor general and state treasurer are the only statewide races on the Keystone ballot this year. Both parties are making titanic bids to win them. A victory for the Republicans would mean the ending of a Democratic regime in the two offices extending back to 1936.

The state treasurer and auditor general are important officials because they approve all expenditures from the commonwealth's half billion dollar budget. The constitution provides for their election in a different year from the governor who makes up the budget.

The Republicans dipped into their legislative ranks for their candidate for auditor general, tapping Sen. Weldon B. Heyburn, of Delaware county.

**Heyburn vs. Black**  
Heyburn is a veteran of three terms in the state Senate, serving successfully as chairman of the powerful finance committee, majority floor leader, president pro tem, and presently as chairman of the joint state government commission, legislative fact-finding agency.

To oppose Heyburn, the Democrats have selected State Treasurer Ramsey S. Black, long-time Democratic leader in the Keystone state.

A native of Harrisburg, Black served as a member of the General Assembly in 1917, twice as a Dauphin county commissioner, postmaster of Harrisburg, and was appointed assistant postmaster in charge of finances, Washington, D. C., by former President Roosevelt. He was elected state treasurer in 1944.

**Barber vs. Lane**  
The Republican candidate for state treasurer is Charlie R. Barber, state welfare secretary, and former mayor of Erie. A native of the lake city, Barber was named to his first public office—that of alderman—at the age of 27.

He was re-elected for a second term during which he ran successfully for mayor. He entered office in 1936, serving for three consecutive terms. He resigned this post when Gov. James H. Duff appointed him to his cabinet in 1947.

The Democrats also went into the state Senate to find their candidate for state treasurer, selecting William J. Lane. Lane was born in Brownsville, Fayette county. An insurance man, Lane served two terms of justice of the peace and later two terms in the state House representing Washington county before he was elected to the Senate to fill the unexpired term of Sen. Wallace S. Gourley, who resigned to become a federal judge. Lane was re-elected to the state Senate for a full term in 1946.

**VISIT GRAVES HERE**  
Mr. and Mrs. Richard Marshall, Pittsburgh, and son, C. Taylor Marshall of the University of Virginia, Charlottesville, spent the week-end here where they visited the graves of Mr. and Mrs. Marshall's sons, Major Richard M., Jr., and Major John Ashby Marshall, who were both killed in action overseas and were buried in the National cemetery here in September. Sunday marked the birth date of both the majors.

**SERGEANT RE-ENLISTS**  
M. Sgt. Ernest Dulaney, 504 Carlisle street, has re-enlisted in the medical department of the regular Army for a period of three years at Medical Field Service School, Brooke Army Medical Center, Fort Sam Houston, Texas, where he is assigned to duty. Sgt. Dulaney has a prior service of 28 years and nine months to his credit. He is a member of the 323rd Army Band.

**IN CRASH AT YORK**  
A vehicle driven by Irvin Mundis, of Stewartstown, was struck in the rear by a car driven by Richard A. Smith, New Oxford, when the former slowed to avoid hitting one of the previous cars which figured in a crash Sunday evening on West Market street, York. Smith's car sustained a smashed right headlight and damage to the grillwork. The other car was not damaged.

**REGALLED TO DUTY**  
Capt. Robert H. Williams, son of Mrs. Hattie M. Williams, Hanover street, has been recalled to active service with the army and is stationed at Manlius Military School, Manlius, N. Y. Capt. Williams graduated from Gettysburg college with the class of 1938, and is a member of Phi Gamma Delta fraternity.

**Weddings**  
Schaeffer-Knouse  
In a setting of chrysantheums and candlelight, Miss Martha Almeida Knouse, daughter of Mr. and Mrs. Roy D. Knouse, Silver Run, Md., became the bride of Philip Blettner Schaeffer, son of Prof. and Mrs. Carl L. Schaeffer, Westminster, on Friday afternoon at 4 o'clock in the St. Mary's Reformed church, Silver Run, in the presence of the immediate families. The ceremony was performed by the Rev. Charles E. Price, pastor of St. Mary's Reformed church and pastor of the bride.

The bride, who was given in marriage by her father, wore a peacock blue satin dress with spice accessories and a corsage of tulle roses.

Miss Maryanne Muehlhoff, Pottsville, Pa., room-mate of the bride at Hood college and her only attendant, was attired in a cinnamon crepe dress with brown accessories and a corsage of yellow rosebuds. The groom chose for his best man, his brother, Richard Schaeffer of Baltimore. Miss Gladys Earhart, organist at St. Mary's church, played softly throughout the ceremony.

After the wedding, there was a dinner at Schottel's hotel, Littlestown, for the immediate families, after which the couple left for a trip to the Poconos.

Mrs. Schaeffer is a graduate of Westminster high school, class of 1943, and Hood college, Frederick, Md., class of 1947. Mr. Schaeffer graduated from Westminster high school in the class of 1941 and served two and a half years in the United States Army, a portion of which was overseas in the German area. He is also a graduate of Western Maryland college in the class of 1948 and is employed at the Locke Insulator company, Baltimore. After their return from their wedding trip, they will reside with the groom's parents, 8 Ridge Road, Westminster, Md.

**O'Neal-Arnold**  
The marriage of Miss Marion Elizabeth Arnold, daughter of Mrs. Melvin W. Shertzer, of Halifax, to Paul O'Neal, Harrisburg, son of Mr. and Mrs. Samuel O'Neal, took place Sunday afternoon at 3 o'clock in Fourth Evangelical and Reformed church, Harrisburg. The Rev. Dr. A. M. Billman, pastor, performed the ceremony.

Mrs. O'Neal, a graduate of Lower Paxton high school, is employed as a designer by the Roberts and Hughes Greenhouse, Mr. O'Neal, also a graduate of Lower Paxton high school, attended Gettysburg college and is employed by Swift and Company.

FRANZ LEHAR DIES AT 78

Vienna, Oct. 25 (AP)—Composer Franz Lehar, 78, whose lilting light opera music is known and sung throughout the world died yesterday at his home in Bad Ischl.

Lehar, whose charming melodies and graceful waltz themes were universally loved, was the composer of the Merry Widow and several other operettas that are among the present day's last links with the light-hearted music for which Vienna was famous.

His physician, Dr. Franz Wurnik, said the composer who had been critically ill for six weeks, died of cancer. His illness was complicated by gastric ulcers, double pneumonia and a heart ailment.

The Merry Widow, first produced in Vienna on December 30, 1905, has been produced in the United States more than 5,000 times, and has performed more than 1,000 times in the capitals of Europe. In Buenos Aires it once ran simultaneously in five theaters in five different languages.

At Lehar's bedside when he died were his brother, Baron Anton von Lehar, and his sister, Emma Marie Paphazy, widow of a Hungarian count. His funeral will be held next Saturday.

**BIGLERVILLE STUDENTS SELECT OFFICERS**  
The first all-school elections were held in Biglerville high school earlier in the month with Oscar Spicer elected president; Janie Warren, vice president; Daniel Walters, secretary; Jack Orner, treasurer, and Ronald Alwine, auditor.

The newly-elected president also holds the office of president of the senior class and as a member of the B-Hi Times staff. Janie Warren is editor of the B-Hi Times.

Heretofore, members of the student council elected their own officers from those students belonging to the organization. This year the entire student body took part in the election in which senior high school students only were eligible for candidacy.

The members of the election board, which included one member from each class, included Doris Lady, chairman; Donald Hollabaugh, Louis Kookan, Lucy Baugher, Clyde Coulson and Sally Shetter.

## Muhlenberg Defeats Bullets 32-20 In Hard Fought Game Here Saturday Before 3,500

A stout-hearted and game Gettysburg college football team battled the powerful hard-hitting and rugged Muhlenberg college gridders all the way before bowing 32-20 here Saturday afternoon before a Homecoming crowd of nearly 3,500 fans.

All of Gettysburg touchdowns were scored by Dwight Speaker, 160-pound speedster, two on aerial passes from Ross Sachs and the other on a beautiful 89-yard run-back of a punt by Dean in the first quarter which gave Gettysburg a one-touchdown lead.

Muhlenberg dominated play throughout as the powerful visitors' line completely bottled up the Gettysburg running attack and only two bullet first downs were gained throughout the afternoon, one as a penalty and the other on the last play of the game when Sachs, trapped on a pass play, scampered 11 yards.

Martin Binder accounted for three of the Mules' touchdowns with Capt. Ed Sikorski scoring the other pair. Binder was by far the best ground gainer on the field and his 45-yard run early in the third period for a score broke a 13-13 tie and gave Muhlenberg a lead it never relinquished.

### Bullets Score First

The first score of the game came midway in the first period when, after several exchanges of punts, Speaker took Dean's punt on his own 11 and electrified the crowd by neatly stepping 89 yards along the northern side line to score, greatly aided by some fine down field blocking by Bullet linemen. Bill Atherholt booted the extra point to put the Bream-men in front 7-6.

Muhlenberg came right back with a devastating drive and marched 72 yards to score after receiving the kickoff. Featured in the drive was the hard running of Binder plus some slight-of-hand ball handling on the part of Dean. The Bullets braced momentarily after the invaders reached the 17 but on the final down Dean pitched to Crider for a first down on the 2 from where Binder slashed through. Bob McCausland broke through to block Crider's placement for the point.

### Mules Take Lead

An intercepted pass by Sikorski on the last play of the first period gave Muhlenberg the ball on Gettysburg's 9. The Bullets fought desperately and threw Rubbert for a one yard loss. Binder picked up five and added two yards on the next two plays and then Sikorski went through the left side to give the Mules a 13-7 advantage. Skorinko booted the extra point.

The Cardinal and Gray was hammering at the Bullet goal line a few plays later after Rubbert recovered the kickoff which rebounded off a Gettysburg lineman on the locals' 47 yard line. Dean passed to Binder and Roveda for successive first downs on the 20. Dean picked up nine yards at left end and then Gettysburg was penalized to the 1-yard mark for unsportsmanlike conduct. Binder was thrown for a 2-yard loss and then Muhlenberg was set back 15 yards for illegal use of the hands. With this aid the Bullets braced and took the ball on the 10, Atherholt booting out of danger a few plays later.

**Speaker Scores On Pass**  
Late in the quarter Muhlenberg gambled on making a first down deep in its own territory and when the Bullet line held Gettysburg took the pigskin on the visitors' 33 to set the stage for their tying score. The Bullets were setback 5 yards on an off-side and then Sachs passed to **Speaker** for 13 yards. Another pass by the same combination produced the score, with **Speaker** streaking over from the 15. Atherholt's kick was wide for the point.

Binder returned Beaver's second half kickoff to his 37 and the determined Bullets held and took the ball on the Muhlenberg 46. However, on the next play Peiffy recovered a Gettysburg fumble on the Bullets' 45. On the first play Binder smashed through center and raced down the middle for the score. Again McCausland broke through to block Skorinko's extra point try.

**Sikorski Intercepts**  
Sikorski made his second important pass interception two plays later by grabbing Sachs' aerial and racing to the local's 10. A 15-yard penalty against the Mules for clipping only delayed the score as Binder, Dean and Sikorski combined to move the ball to the 3 from where Binder tallied. Skorinko converted on a placement.

Two successive 15-yard penalties against Muhlenberg and a breakthrough by Lentz who tossed Binder on the Mule 5 opened the way for the final Gettysburg score late in the third round. Dean's punt was partially blocked by Beaver and Gettysburg took the ball on the Mule 15. Sachs again found **Speaker** with a pass to make the score 26-20 and Atherholt converted.

The furious play of the teams finally culminated in a flurry of fisticuffs early in the fourth quarter and resulted in the banishment of Gene Hummel of the Bullets and Fred Peiffy of the Mules. After play resumed the Mules put the clincher on the game by taking the ball after an exchange of punts on Gettysburg 21, Sikorski went over from the 1,

Skorinko's placement boot was wide.

Another Muhlenberg player, Skorinko, was ejected from the game for roughing Sachs as he was passing later in the period.

Next Saturday the Bullets will attempt to swing back into the win column when undefeated Western Maryland plays here as a feature of the Fathers' Day observance of the college.

## CANNERS DOWN MANHEIM 26-0

Biglerville high school's football team rolled to an easy 26-0 victory over Manheim Borough in a Conference of the Roses game played Saturday afternoon at Lititz.

Coach Gene Haas' outfit piled up a 20-0 lead in the first half and tallied its final six-pointers in the third period after which the jayvees played the remainder of the game.

Touchdowns for the upper countines were scored by Pitzer, Grim, Heller and Rice with Heller kicking two extra points on placements. The victory marked the third in a row for Biglerville and tightened its grip on third place in the conference standing.

On Friday night Palmyra will play at Biglerville in another conference game.

## EAGLES EDGE BEARS; 'SKINS BEAT PACKERS

By RALPH RODEN  
New York, Oct. 25 (AP)—Although the pennant races in the All-American conference and the National Football league are extremely tight, 106,717 fans turned out for five national league scraps yesterday and 107,672 for four conference games.

The National's biggest crowd, 36,227 fans, showed up at Philadelphia and watched the Eagles beat the Chicago Bears, 12-7, in a driving rain. The victory was Philadelphia's first over the Bears in history and it dumped the Bears from the unbeaten ranks and into a first place Western division tie with the defending champion Chicago Cardinals. The Cards crushed the Boston Yanks, 49-27.

Cleveland's defending champion Browns drew the largest all-American gathering, 46,912. The Browns rewarded the home turnout by beating the New York Yankees, 35-7, to remain a half game behind the San Francisco 49ers in their western division tie.

**Colts Nipped**  
The 49ers, at home, for the first time in five games, nipped the Baltimore Colts, 21-10, with a rally to run their unbeaten streak to nine games.

Cliff Patton's 38-yard field goal in the last period and a safety gave the Eagles their margin of triumph over the Bears, who dropped their first game in five starts.

The Brooklyn Dodgers humbled the lowly Chicago Rockets, 35-14, before the smallest crowd of the day, 5,964 fans at Chicago.

Buffalo's Bills pulled to within a game of Baltimore by beating the Dons, 35-21, before 26,818 customers at Los Angeles.

**'Skins Down Packers**  
The Washington Redskins downed the Green Bay Packers, 23-7, to remain a half-game behind Philadelphia in the National's eastern sector pennant scramble.

The New York Giants edged the Pittsburgh Steelers, 34-27, to tie the Steelers for third place, one game back of Washington. Charley Conery sparked the Giant victory with two touchdowns heaves, before 13,443 fans at the Polo Grounds.

Led by Jim Hardy who completed 21 out of 34 passes for 241 yards, the Los Angeles Rams overcame a 21-0 half time deficit and beat the Lions, 34-27 before 20,191 fans at Detroit.

## HARRY GRABINER DIES IN CHICAGO

Chicago, Oct. 25 (AP)—Harry Grabiner, who rose from peanut vendor to vice president of the Chicago White Sox, died in a coma yesterday 48 hours after undergoing an operation for brain tumor. He was 57.

Grabiner was with the Comiskey club 41 years before resigning in 1945. In 1946 he became associated with Bill Veeck as vice president of the Cleveland Indians.

Although only 57, Grabiner was third only to Connie Mack of the Philadelphia Athletics and Clark Griffith of the Washington Senators in years of American league service.

He served as usher, vendor, ticket seller and grandstand sweeper before being appointed assistant secretary of the Comiskey organization at the age of 15. He became secretary in 1915 when Charley Fredricks died.

By the time the New York Giants and the White Sox met in the 1917 World Series, Grabiner was general manager and vice president, positions he held for 28 years.

## Postpone Grid Tilts Because Of Weather

Inclement weather caused the postponement of both games scheduled for Saturday in the Little Four football conference.

The Littlestown-Dallastown game was postponed until this evening at 8 o'clock and will be played on Small athletic field, York. No date has been set for the East Berlin-New Freedom tilt.

## DEFEATS CUT UNBEATEN LIST IN HIGH SCHOOLS

By LEONARD A. UNGER  
Harrisburg, Oct. 25 (AP)—A brace of week-end schoolboy grid upsets whittled down the field of WPIAL Class AA title contenders to five teams.

By identical scores of 19-14, Ambridge and Jeannette were dealt out of championship consideration by Rochester and Johnstown, respectively. Five undefeated, untied elevens are still in the running for the trophy won in 1946 and 1947 by New Kensington, aspiring to repeat with New Castle, Wilkensburg, Monongahel and Duquesne.

**Steelton Rolls On**  
In the east, Steelton's unbeaten and untied steamroller rolled on to a 25-0 conquest over Lancaster, setting themselves up as the top favorite to annex Central Penn conference laurels.

Other Central Penn games saw Harrisburg John Harris upset Williamsport 15-0, Harrisburg William Penn pound Lebanon 33-14 and Reading blank York 13-0.

Leadership of the South Penn conference went to once-tied Chambersburg's Trojans who edged Gettysburg, 14-13. Hanover, defeating Columbia in an exhibition encounter, fell from the top rung to third behind Hershey.

**Tyrone Eagles Win**  
The onrushing Golden Eagles of Tyrone swept aside Clearfield, 20-0, to hold the leadership of the western conference. An idle week-end failed to disclose Adams township, with four wins and a tie, from the second notch.

But Lock Haven showed by a 33-0 exhibition triumph over Coal township that it was still to be reckoned with although in fourth place behind Roaring Spring in the western loop.

Eastern conference action saw the powerful Blakely Bears fail to gain the top spot in the northern division despite six consecutive conquests, the latest over Archbald, 19-0. It lengthened the Bears' two-year win skein to 19.

**Leaders Clash Friday**  
The same rating system cut down Ashland's advantage in the southern division although the Black Diamonds overwhelmed St. Clair, 55-0, for its sixth victory in a row. St. Clair has yet to win this year.

Only four rating points now separate Ashland from second-place Mt. Carmel which trumped neighboring Mt. Carmel township, 32-6. The two leaders clash Friday night.

The Pottsville Red Hurricanes made it six league wins straight in pounding victoryless McAdoo, 32-6, but a comparatively weak schedule is keeping them down in the standings.

**Sports Roundup**  
By HUGH FULLERTON, JR.  
New York, Oct. 25 (AP)—Carnegie Tech students have started painting signs around their own campus demanding a better football team . . . that goes to show how far de-emphasis can go . . . The old custom, still kept alive in some schools, was to smear paint on the other guy's buildings . . . or maybe the Carnegie thing is just showing the effects of the startling discovery that Tech's good neighbor, Pitt, can beat a big nine team . . . In the past few years the best suggestion for improving Pitt football came from an unidentified halfback . . . just before the kickoff as the Panthers were about to take their weekly walloping from a mid-western rival, the kid turned to the referee and said: "How about letting me handle the whistle in this game and you carry the ball. I think we'd do better." . . . The referee was none other than the former Chicago Great, Jay Berwanger.

**IT'S A RUG GAME**  
In his first game as a Louisiana State U. varsity footballer, some opponents walked all over halfback Billy Bagget's leg . . . in his second, Billy just happened to lie down in time for a player to stomp on his face . . . last week against Georgia it happened again. ## PRINCIPALS FOR BOWL GAMES NEAR SELECTION

By WILL GRIMSLEY  
New York, Oct. 25 (AP)—College football swings into the backstretch this week with games that should go a long way toward identifying the major bowl principals.

California's potent Bears look like a cinch for the Rose Bowl if they can squeeze by Southern Cal. Saturday at Los Angeles. The Pasadena guest may be decided at Evanston where Northwestern engages Ohio State.

Down in Dixie, unblemished North Carolina and Georgia Tech, sticking close to their telephones for Sugar, Orange or Cotton Bowl feelers, run into large humps in their schedules.

**SMU Meets Texas**  
The N. C. Tar Heels play Tennessee at Knoxville and Vols' Coach Bob Neyland, a renowned pessimist, already has predicted an upset victory for his boys. Tech's frisky Yellowjackets meet an undefeated Duke team that has been getting progressively better after two opening season ties.

The southwest feature is Southern Methodist against Texas at Austin. The victory in this one could well land in the Cotton Bowl although both must reckon with Baylor, which has only a tie on its record. The job for the bowl promoters was further simplified last Saturday when two of the 11 unblemished teams were stricken from the list.

**Penn State Tied**  
Army's powerful machine rolled over Cornell, 27-6, handing the Big Red its first smudge. Penn State, riding a victory string that covered the 1947 season, was tied by Michigan State, 14-14.

The nine left without defeat or tie in major ranks are: Michigan, Notre Dame, North Carolina, Georgia Tech, Clemson, Army, Pennsylvania, California and Nevada.

Of these, Michigan, Notre Dame and Army aren't bowl candidates and Pennsylvania, as an Ivy leaguer, is not overly receptive to bids. Michigan, victor over Southern Cal. in the Rose Bowl last year, can't return because of a conference rule against repeat performances. Notre Dame and Army don't go in for the post-season extravaganzas.

Harrisburg, Oct. 25 (AP)—About half of all applicants for relief usually are turned down upon investigation of their needs, says the State Department of Public Assistance.

at the turnstiles and at the concession stands with their farm clubs than in St. Louis last season.

## Littlestown Trims Emmitsburg 12-10

Littlestown, champions of the Penn-Maryland Baseball league, defeated Emmitsburg in an exhibition game Sunday afternoon at Emmitsburg, 12-10.

The contest turned out to be a free hitting contest and home runs were hit by Kress, Harner and Weaver. Weaver and Kress hurried for Littlestown while Briscuso and Mondorff divided the pitching for Emmitsburg.

Score by innings:

**CUT AD RATES**  
Philadelphia, Oct. 25 (AP)—The Ladies Home Journal announced today a five per cent cut in advertising rates effective with the October issue due to circulation falling below the rate base of 4,500,000 copies. The circulation rate base is being revised from 4,500,000 to 4,275,000 copies with rebates to be made advertisers in the April, May and June issues when circulation fell below the rate base.

**BULLITT BACKS DEWEY**  
Washington, Oct. 25 (AP)—William C. Bullitt, former ambassador to Russia and France, has come out in support of Gov. Thomas E. Dewey for the presidency. Bullitt said in a statement yesterday he considers the Truman administration "incompetent." On the other hand, he said, he has confidence in Dewey's ability.

York, Pa., Oct. 25 (AP)—The Pennsylvania chapter, American War Mothers, elected Margaret Dickson, Tyrone, as its new president. She was named at the close of a four-day meeting here yesterday.

## CARNEGIE TECH LOSES ITS 23RD

Pittsburgh, Oct. 25 (AP)—Carnegie Tech's football team went to the Sugar Bowl in 1938 and has been bowled over by just about everyone since then.

The current Tech losing streak stretched to 23 straight Saturdays when the Tartans were whipped by Case, 26 to 20. The students and the man they don't blame—Coach Bill Donohoe—are disturbed.

The Tartans went in for football deemphasis in 1939. Their grid fortunes fell faster than a barometer before a hurricane. Tech's last football victory was scored in 1942 against the University of Buffalo. In 1946 Tech reversed the usual success formula by failing to win a game, score a point or settle for a tie.

**No Change In Policy**  
Following Saturday's defeat, painted signs appeared on campus buildings and walks proclaiming, "we want college football," and "here lies college spirit—born 1909—died 1939."

All of this leaves Tech President Robert E. Doherty unmoved. "There has been no change in our policy since 1939," Dr. Doherty declared today. "There has been no change in practice. There is no going to be any."

Donohoe blamed many of the losses on lack of practice. He said: "Our boys give everything they've got but they're just not in condition for 60 minutes of play. They are permitted to practice only an hour and 15 minutes a day, an hour less than any of our opponents. It's unfair to everyone concerned to put boys on the field that way. They have to be helped from the field. The spectators think they're injured but they just collapse from sheer exhaustion."

Williams Grove, Pa., Oct. 25 (AP)—leading from start to finish, young Tommy Matson, Wilmington, Del., won the 50-lap Williams Grove National Championship big car auto race here yesterday. His time for the long grind was 23:08.02.

**DON BLACK OUT**  
Cleveland, Oct. 25 (AP)—Don Black, the Cleveland Indians' pitcher, left Charity hospital yesterday after a stay of six weeks. He suffered a brain hemorrhage during a game with the St. Louis Browns.

**BIRTHDAY PARTY**  
Evelyn Jordan was the honored guest at a supper-party given at the home of her parents, Mr. and Mrs. W. E. Jordan, Harrisburg road, Saturday afternoon in celebration of her third birthday anniversary. Decorations appropriate for Halloween were used. A large jack 'o lantern was used as the center piece on the table. The guests included Coleen Kuran, Susie Hall, Linda Hall, Peggy Anne Jordan, Ann McIlhenny, Jimmy McIlhenny, Bobby Bigham, Hugh McIlhenny and Walton Jones. Carole Vogel-song, Mechanicsburg, was an out-of-town guest.

The diameter of the earth is about 26 miles greater at the Equator than from pole to pole.

## Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

### ONE HUNDRED YEARS

**Death of a U. States Senator:** The Hon. Dixon H. Lewis, Senator of the U. States from Alabama, died in the city of New York on Wednesday after a short but severe illness. He has been for many years a member of the other branch of Congress, and had great personal and political popularity in the South. He was believed to be the largest man in the United States, weighing nearly 500 pounds.

**Married:** On Thursday morning (Oct. 26), by the Rev. Dr. Baugher, Daniel A. Ulrich, M.D., of Pinegrove, Schuylkill county, to Miss Henrietta Nesbit, of this place.

On the same day, by the Rev. B. Keller, Mr. Henry Weikel, of New Oxford, to Miss Lucy Ann, daughter of Mr. David Beecher, of Franklintownship.

On the 19th inst., by the Rev. John Ulrich, Mr. Isaac Gardner, to Miss Catharine Yeatts, both of this county.

On the 22d inst., by the Rev. Mr. Outellus, Mr. George Becker, of Hamilton township, to Miss Rebecca, daughter of Mr. Frederick Wolf, of Abbotstown.

### SEVENTY-FIVE YEARS AGO

**Death of Dr. Huber:** We have the painful duty of announcing the death of Dr. Henry S. Huber. Some weeks ago he had a violent attack of neuralgia of the stomach, complicated with other diseases and he has been quite ill ever since. A slight improvement gave rise to hopes of ultimate recovery; but on Monday night there was a relapse and he gradually sank, dying Tuesday evening.

Dr. Huber was originally from Philadelphia, practiced medicine a short time in Chicago, and in 1849 came to Gettysburg as the partner of the late Dr. David Gilbert. On the removal of the latter to Philadelphia, Dr. Huber succeeded to his large practice, and was widely known as one of our most successful physicians. He was an active member of Christ (Lutheran) church, a trustee of Pennsylvania college and a director in the Theological Seminary. His death leaves a void in this community, which will be difficult to fill. He was 59 years of age.

**Fatal Accident:** We today have to record another warning against the careless use of fire-arms by boys. On Saturday four boys (Peter Hoffman, Hub. Allison, Joseph Riggs and John Zhea), were out gunning in the neighborhood of Round Top. While crossing a fence, Allison's gun was accidentally discharged, the contents entering the right side of young Hoffman, who was in front, having already crossed the fence. He was brought to town in a carriage by Mr. Levi Plank, and Dr. Charles Horner called in. He died of his injuries on Monday morning. He was a son of Mr. John Hoffman, keeper of the restaurant on Carlisle street, and was aged about 14 years.

**Married:** Stonesifer—Walter—On the 19th inst., at Conewago chapel, by Rev. Father Enders, Mr. L. S. Stonesifer, of Conewago township, to Miss Sallie Walter, of Gettysburg.

Steinour—Trostle — On the 23rd inst., at the residence of the bride's parents, by the Rev. I. B. Crist, Mr. Peter Steinour to Annie E., daughter of Jacob Trostle, all of Butler township.

Cromer—Hoover — On the 9th inst., by the Rev. C. J. Deininger, Mr. George Cromer, of Adams county, to Miss Sarah Hoover, of West Manheim township, York county.

The "Old Folks' Concert" in Agricultural Hall drew a pretty full house, the receipts being over \$100. Some fifteen or twenty ladies and gentlemen participated in the representation, most of them being dressed in antique costumes, representing the prevalent styles alike of elderly dames and fashionable young ladies and gentlemen, of the olden times. These costumes were not imitations; but the same dresses which had been actually worn long years ago. They were of varied styles, indicating that "fashion" was omnipotent a hundred years ago, as now.

## Today's Talk

By GEORGE MATTHEW ADAMS  
KEEP SOMETHING ALIVE

No matter how misfortune, or disappointment, or even sorrow, may eat its way within us, any one of these is but a temporary onslaught. We must always plan to keep something alive within us — something of hope, of will, of perpetual faith.

Many a one has been able to keep alive the interest in some hobby, while the dark clouds shut out the sunshine, and this simple procedure has meant everything. All through life there are emergencies that each of us must meet if we wish to live, and it is this determination to keep something always alive within us that enables us to successfully meet them.

It is this keeping alive of the dreams and ambitions of youth that has been the greatest contributing factor in the success of most people. A plan of life — an objective — "one increasing purpose." These are essential to a happy and healthy handling of life's problems.

It has been said that with hope lost all is lost — therefore it is not only important, but essential, that a substantial bit of hope be kept alive. And from this hope any number of interests are possibilities. Lincoln, at one time, looked upon himself as a failure, but he kept enough alive within his mind and heart to lift him to higher ground at the right time. It is this rebound that saves us all.

How many a human being has been brought back to life and usefulness through the influence of early religious training or through the example of a strong character. Encouragement at the right moment has kept many a fire from going out within the breast of another. There is something that is forever dying within us, but there are constant replacements. These are what must be kept in readiness.

Keep something alive within you every day of your life. Travel and contacts keep adding fuel to the flame of your desires, anticipations and dreams. It was the love of books by my father and mother that instilled this same love in me at an early age, and I have kept this love happily alive. And what can excel a triumphant spirit?

Tomorrow Mr. Adams will talk on the subject: "Intimacy."

**GRUMBLERS**  
The grumblers make too much of cares  
That quickly come and go.  
They fashion out of small affairs  
A needless source of woe.

Some trivial disappointment met,  
The day's good is forgot.  
They think it all important, yet  
It soon will matter not.

There are great sorrows that must fall,  
And real and lasting they,  
But all life's irritations small  
Will quickly pass away.

**All Hallow Eve:** Friday night was "All Hallow Eve," and the boys had their usual frolic in tossing corn, ringing door-bells, and thumping at doors with cabbage stalks.

**Smash-Up:** On Monday morning, as the mail boy in the employ of Messrs. Ziegler and Holtzworth was starting to the Post-office for the Benderville mail, the horse became frightened in turning the corner at Tate's hotel, and started on a run up Chambersburg street, dashing against and demolishing Picking's clothing sign, throwing the boy out at Arnold's corner, and then coursed up Baltimore street, at the end of which he was caught. The boy was not seriously injured. The buggy was wrecked.

On the return of the horse Mr. Holtzworth had him hitched up in another buggy, and taking the reins himself, undertook to bring the horse to terms, but the latter wouldn't, and started out on a still more extended race out York street. Mr. Holtzworth and a boy with him were pitched unceremoniously into the street; near Ramer's hotel, the horse continuing his frolic out to the toll-gate, in the meantime smashing the second buggy. Neither Mr. Holtzworth nor his companion was injured.

Nothing daunted, Mr. Holtzworth had the animal hitched up again—this time in a heavier wagon, with strong harness and severe bit. The horse tried to get away again, but he found his match at last. After trotting around quietly, and giving evidence of a more subdued temper, he was returned to the stable.

## POLISH PRIMATE DIES IN WARSAW; COMMUNIST FOE

Warsaw, Oct. 25 (AP) — August Cardinal Hlond, primate of Poland, died Friday. He was 67.

Cardinal Hlond, an outspoken foe of the Communist-led Polish government, passed away at 10:30 a. m., of pneumonia, which he developed after undergoing an appendicitis operation.

His death reduced the membership of the sacred college of cardinals to 56. Its full quota is 70.

**Cardinal 21 Years**  
He had been a cardinal since 1927. That year he was appointed archbishop of Posen and primate of Poland to succeed the late Cardinal Dalber.

He began his career as a priest in Milan, Italy, where he became a close friend of the man who was to become Pope Pius XI.

Ten years ago Polish Catholics felt that, should the tradition of an Italian pope be broken, Cardinal Hlond might have a good chance of being elected pontiff by the college of Cardinals. At that time he enjoyed the confidence of Pius XI and granted the privilege of acting as worldwide spiritual director over all Poles regardless of their places of residence. That privilege was given him despite the fact that the authority of bishops generally is limited to their dioceses or their own countries.

Born in Upper Silesia in 1881, Cardinal Hlond was the son of a miner.

**Jailed by Nazis**  
In September, 1939, when Germany overran Poland, Cardinal Hlond sent a report to Pope Pius XII which was said to have touched on Nazi atrocities to Poles and damages to Catholic church property.

He went from Poland to Rome late in 1939 on the advice of the Polish government and later went to a health resort in France. He lived in Lourdes, in southern France, until the German occupation of that zone in December, 1942. While in Lourdes he tried unsuccessfully to obtain passage to some neutral country.

The Germans, however, were said to have found and arrested him soon after the Italian armistice and imprisoned him in Fresnes prison, near Paris. At the time, the Nazis rejected all Vatican efforts to obtain his release for hospitalization.

In April of 1945 Paris dispatches revealed that Cardinal Hlond had been liberated from the Nazis by American Ninth Army troops from a convent near Paderborn, Germany, where he had been held for 14 months.

**Foe of Reds**  
While he was held by the Germans there were reports that Cardinal Hlond had rejected a Nazi offer to make him regent of Poland. One such report said: "The spiritual head of Polish Catholics is being held by the desperate Nazis as hostage against Polish demands for the punishment of Nazi leaders."

Since the war, Cardinal Hlond had been outspoken in his criticism of Poland's Communist-dominated government. On May 23 of this year he attached his name to a special pastoral letter which warned Poles against abandoning their religion and becoming slaves to materialism. As early as August, 1946, Cardinal Hlond drew the criticism of post-war officials when he accused the Jewish element in the government of responsibility for such incidents as the Kielce pogrom.

## GOP Appeals To Working People

Harrisburg, Oct. 25 (AP)—The Republican state committee said today it has distributed 250,000 copies of a pamphlet which bears a cover emblazoned by the statement, "What workers will lose if Taft-Hartley law is repealed."

Addressed to "Mr. working-man and working-woman," the pamphlet says:

"The Taft-Hartley laws give you rights which you never had before. When President Truman says he is going to repeal this law, he is threatening to take these rights away from you."

The pamphlet listed some 16 different "rights," starting with: "To know how your union spends your dues," and ending with: "X X X to help run your union—and to see that it is run on a basis of Americanism, not Communism."

## GOP ADVISORS DECIDE DEWEY HAS RACE WON

New York, Oct. 25 (AP)—Four big-city speeches and an election eve broadcast will wind up Gov. Thomas E. Dewey's campaign for the presidency.

The Republican nominee elected Friday to close his drive with nationally broadcast talks in Chicago, Cleveland, Boston and New York.

Between them, in the final 10 days of the campaign, he arranged to sandwich in some barnstorming talks in Massachusetts, Connecticut and Rhode Island.

### To Ease Up On Finish

But missing from the list was any appearance in West Virginia, where Senator Chapman Revercomb, Republican, is struggling for re-election in a highly critical Senate race. And the Dewey strategists, who summed up their ideas about the campaign in a four-hour conference here on Friday, turned down demands for the candidate's appearance in Detroit.

At the conference, besides Dewey, were Herbert Brownell, Jr., campaign manager; Russel Sprague, an adviser; Rep. Leonard Hall; Roger Straus, president of the American Smelting company; Elliott Bell, New York bank commissioner; Paul Lockwood, the governor's secretary; James Hagerty, his executive assistant, and William Murphy, publicity director of the GOP national committee.

The consensus was that Dewey has the presidential race won, and should not extend himself in the last few days of the campaign. In line with this, all he had definitely on his agenda today was an appearance at New York headquarters of the Dewey-Warren citizens' committee.

## PLAN MILITARY ALLIANCE TALKS

Washington, Oct. 25 (AP)—Invitations to a portentous conference to draft a military alliance between North America and Western Europe probably will go out soon after next week's presidential election.

Nations expected to take part in the initial phases are the United States, Canada and Europe's western union powers—Britain, France, Belgium, The Netherlands and Luxembourg.

Several other countries in the non-Communist lineup — notably Italy, Iceland, Norway and Denmark — may join in the talks at some point.

Officials here say it is not yet clear whether the invitations will be issued formally by the five-nation western European union or by the United States. Nor has a city for the conference been chosen, although all preliminary work on the pact has been done in Washington.

Undersecretary of State Robert A. Lovett began conferences early this year with the Ambassadors of Canada and the western European countries on the question: What form should United States military support for Europe take?

This government's only guide for action—aside from Europe's need—was the Senate resolution adopted last spring advocating the association of the United States with nations having common security interests.

The recent admission of the University of Delaware and Muhlenberg College has brought the membership of the 20-year-old Eastern Intercollegiate Football Association up to 36 colleges.

### WHY SOILS NEED WINTER COVERS

There are but few observing persons who have not seen a newly painted fence or wall splashed with soil after a rain. In some cases where the soil was freshly stirred just before a hard rain the discoloration is seen two or three feet high on the painted surface. Here is a form of soil erosion not often considered. We think frequently of the washing or wearing-away force of water flowing down a slope of barren soil, but we may easily overlook the powerful evils of "bouncing" water. Herein the factor of winter cover crops plays an important protective role.

When a raindrop falls on level bare soil it splashes upward and outward like a fountain, carrying soil particles with it. The amount of soil thus dislodged and carried upward and outward by the splashing raindrop depends on the type of soil and its surface condition at the time. However, there is considerably less of the dislodged soil particles lost from the splash on level bare soil than occurs when the raindrop falls on sloping bare soil. Yet, even on level areas some of the minute particles fail to regain anchorage when they return to the ground and flow away in surface run-off water.

But on a slope the splashing raindrop tends to return its load of soil particles farther down the hill than they were originally located. This action results in a gradual movement of surface soil down the slope, with the accumulated surface water increasing the loss by its direct erosive force.

There is but one sound measure of soil protection, for level and sloping surfaces alike, but with more emphasis on the slopes. It is nature's way to protect priceless surface soil-covers. Of course, covers are needed every month in the year, but they cannot be employed so easily among inter-tilled crops during the growing season. Here contour farming, terracing and other means of preventing surface soils from escaping are practiced. It is during late fall, winter and early spring months that bouncing water takes its heaviest toll from soils left bare after crops are removed. Then there are no plants to break the direct impact of the falling raindrops.

It is amazing to observe closely the splashing effects of falling rain to see what a small amount of vegetation is required to minimize the breaking loose of soil particles and to reduce the force of the water's bounce. And every gardener and farmer should remember that the erosive power of falling rain is controlled by the same measures that curtail soil losses from escaping run-off water.

Winter covers are needed by all soils. Dry waste vegetation may be utilized on badly exposed areas. Rye, vetch, wheat, or other grain or hay crop may be employed. In fact, it is not too late to sow rye for this purpose, although it would have produced a better vegetation

deeply mellow loam into which roots may delve unrestricted for nourishment and moisture. Full sun is advised. Planting may be done in late October or early March, although if spring planting is practiced, soil should be prepared before winter by turning under deeply a liberal application of well rotted manure.

Fertilizer needs of this fruit are not yet determined. It is sound reasoning to deem that major emphasis should be placed on a naturally fertile loam to begin with; and then to follow a course of conservation fertility maintenance by keeping the organic matter content of the soil amply supplied.

The heavy top growth should be supported on a two-wire trellis or by individual stakes. Several experimental growers report they find a wire support on each side of the row effective, the wires fastened horizontally on stakes, leaving a "lane" about 2½ to 3 feet wide between.

Like other bramble fruits, Boysenberry plants produce their berries on canes which develop from the crown the previous year. After the berries are harvested the canes are spent and useless and will not bear another year. This means that the old canes should be cut off at the crown, removed and burned soon after harvest season.

Growers are urged to try at least a few Boysenberries for home use and local marketing. Experiences to date demonstrate that urban consumers will buy all the Boysenberries offered from introductory production. The extraordinary large size of the fruits, coupled with their remarkable flavor, commands popular reception by the public. The same merits make this an excellent fruit for home use, both for summer and as canned fruit for winter. The editor will be glad to answer

## RED DESERTERS AVER RUSSIANS ARE NOT HAPPY

By REIMAN MORIN

(AP Foreign Affairs Analyst)

Two weeks ago Sat., a Russian airplane crash-landed at an American airfield in Linz, Austria, and three men stepped out of it. Two were Russian officers; the third was a flight-sergeant.

The officers said they were deserters. Even when confronted with the Russian commander in Austria, they persisted in saying they were through with the Soviet Union, and wanted to go to the United States. That, I submit, required a very high degree of moral courage—plus a powerful inner compulsion.

Put yourself in their place. Imagine yourself, still in uniform, facing up to the "big brass," and stating that you had deserted and were placing yourself under the protection of a nation which is, in fact, ranged against your own.

### Oppose Red Regime

Yesterday, having made good their desertion, the two Russians answered questions at a news conference. Their statements were interesting, but not entirely startling, to wit:

1. They estimated that 70 per cent of the Russian people are opposed to the Communist party, but are afraid to do anything about it.

2. The Communists have failed to provide the "better life" for the people, that ideal on which the Bolshevik revolution originally was sold, and in the name of which millions of Russians have died, liquidated by their own rulers, or killed during the war.

3. Opposition of the farmers to the Communist program of collectivizing the farms—a struggle that brought death to an estimated 2,000,000 Russians during the thirties—still continues and is one of the great causes of unrest in the Soviet Union.

### Big Red Army

None of this is very new, with the possible exception of the first point, and this is, necessarily, a guess on the part of the two officers. Nobody can know the feelings of 70 per cent of the Russian masses.

They also said that life in the Russian army is "not bad," but that it is maintained "at the expense of the common people."

There is a point that has interested both the military men and the economic experts in Washington for a long time. Information indicates that the Soviet Union has 3,300,000 men under arms at this moment. What's the cost?

The United States is the richest country in the world, with the highest standard of living, meaning that the individual American earns more and can buy more with what he

## GOP Assailed As 'Voice Of Reaction'

Baltimore, Oct. 25 (AP)—The Republican party was labeled last night as a "raucous voice of reaction" by the Democratic candidate for Vice President, Senator Alben W. Barkley.

The Senate minority leader told an estimated 2,400 at a Democratic rally that the "Republicans haven't had an idea in 76 years—and the 80th Congress is no exception."

Barkley declared that when the Republicans are asked about their specific program, they reply in unison: "We have unity. So has the Dead Sea. It is the unity of stagnation."

Barkley charged that the GOP repudiated the late Wendell Willkie "and broke his heart because he was a liberal."

earnings.

### Crushing Burden

Yet, this country is feeling the burden of the cost of re-arming, and of maintaining its armed forces.

Granted that the Soviet Union may not have the expense of re-arming, because it has never demobilized or disbanded very far. Nevertheless, to keep such an enormous number of men in uniform, feeding, clothing and housing them, must be a crushing burden for the Russian workman. The Soviet defense budget, unlike ours, probably has no considerable item for naval construction, and much less to maintain.

But if all reports are true, the proportionate cost to the two countries for building and research in aviation is at least the same.

### Critical Period Ahead

But as time goes on, as the months pass and there is no attack, it will be increasingly difficult for the Soviet government to explain the tremendous expense as a necessary "defense measure."

Then will come a critical period for the men in the Kremlin. Unarmed and unorganized, the Russian masses are nevertheless an elemental force, once they start to move—as the Bolsheviks well know, having once started the avalanche.

The Kremlin may forestall this by launching the war, themselves. It will be a dangerous period both for the Russian rulers and for the peaceful nations of the world.

## TRUMAN MAY BE OUT TO AID RUNNING MATES

By J. FRANK TRAGLE

Washington, Oct. 25 (AP)—Some political observers here wondered today if President Truman's return trip to Pennsylvania was not aimed more at helping Democratic congressional candidates than aiding him.

Their reasoning was this: The Democrats have never expressed cock-sure claims of carrying the state for Mr. Truman, but they have said the party may take as many as five or six congressional seats from the Republicans. The state's 33-man congressional delegation now is made up of 28 Republicans and five Democrats.

### Good Chances There

This reasoning was strengthened by the President's announced intention to speak in Wilkes-Barre, Scranton, and Johnstown en route to Pittsburgh. All of these are important industrial and coal mining centers whose labor support Mr. Truman would like to win.

So, obviously, he's out to do some good for himself if he can.

But, they also are in congressional districts where the Democrats have said they have good chances to capture Republican-held congressional seats. What's more, they adjoin other congressional districts where Democrats have expressed equal confidence.

In the 11th district (Wilkes-Barre) former Congressman Daniel J. Flood, a Democrat, is opposing Robert H. Stroh, Republican. The district was represented in the 80th Congress by Mitchell Jenkins, a Republican who defeated Flood in 1946. Jenkins was not a candidate for re-election.

### Hot Contest

In the 10th (Scranton) district, Harry P. O'Neill, Democrat, oppose Nelson Nichols, Republican. This

## Octogenarian Goes To Pen For 10 Years

Pittsburgh, Oct. 25 (AP)—Eighty-year-old John Hoopengardner enjoyed a four-hour ride to Western penitentiary—his home for the next 10 years or more—but he hopes "it don't get no worse."

Hoopengardner Friday began a 10-to-20 year sentence for a second-degree murder in the shotgun slaying of 57-year-old Ambrose W. Fisher of McConnellsburg, Pa.

His steps shaky, the octogenarian squared his shoulders as he entered the jail.

district was represented in Congress by Democrats for many years. But in 1946 the seat was captured by a Republican, James P. Scoblick. Scoblick's bid for re-election was ended last spring when Nichols defeated him in the primaries.

Next door to these two districts is the 20th, which comprises Northampton, Carbon and Monroe counties, and which is represented now by eight-term Francis E. Walter, dean of the Pennsylvania Democrats in Congress.

Walter is opposed by Republican Roy E. James, a former employee of the U. S. Interior Department. This contest has been described as one of the hottest congressional fights in Pennsylvania. Walter was the only Democratic member of Congress from the eastern part of the state to survive the Republican sweep of two years ago.

## CONVICT UNION ON HOBBS ACT

Philadelphia, Oct. 25 (AP)—The Hobbs Anti-Racketeering Act today had passed what was termed its "first real test" with the conviction of three men and a union of interstate conspiracy to control the Dock street market.

A guilty verdict was returned on Friday by a jury of eight men and four women after two hours and 20 minutes of deliberation.

Curtis Shears, special assistant to the U. S. Attorney General, said it was the "first real test" of the 27-month-old Hobbs Act.

Found guilty were: Local 929, Produce, Poultry, Fish and Oyster-men Drivers and Helpers (AFL), an affiliate of the Teamsters Union; Fred Schlein, 30, who once drew \$15,000 a year as business manager of the Wholesale Fruit and Vegetable Distributors Association and as president of the Perishable Fruit and Produce Haulers Association; Harry

# Deadly Weapon

By Wade Miller

Chapter 29  
"Why did we come so early?" Kevin asked him.  
"I wanted to take a look at the audience this time," Walter James explained. "I don't want to miss the good doctor again tonight." His eyes roved restlessly over the few late comers queued at the box office. Kevin brushed a small length of thread from the skirt of her chocolate-brown suit.

"Do you think he'll be here tonight?" Her voice held an undercurrent of excitement. Walter James looked at her bent copper head with its delicately small cloche of brown felt.  
"I hope so," He stroked his head gently. "The stitches come out in another five days." The puckered scars showed vividly under the ruthless bulbs of the marquee.

Kevin raised her head. "What did you say, Walter?"  
"Never mind," he said. "Here comes Clapp."  
The big man came striding up Market street. He shook hands with Walter James. Clapp's eyes sparkled with excitement. The weariness of the night before seemed to have been shrugged off like a coat.

"Let's go," he said.  
"You by yourself?"  
Clapp showed his teeth in a grin. "Don't you believe it. This whole block's covered. We're locking the barn door ahead of time tonight."  
Walter James said, "Make sure somebody doesn't steal the barn."  
As they sat down, Kevin whispered, "I'm glad they didn't have another Filipino taking tickets out there. I almost expected to see him."

A voice behind her said in a soft whisper, "Laura—" She turned slowly in the hard seat. The puzzled frown between her eyes vanished when she saw Bob Newcomb watching her from dark, pained eyes.

Kevin said fiercely, "Bob, why don't you—"  
"Don't bawl me out again, Laura," Walter James snapped his head around with a quick movement. The younger man met his gaze with no embarrassment. "I just want to see that you're all right."

A cutting phrase trembled on the girl's lips, then she put her mouth into a firm line and turned her face toward the stage. Walter James squeezed her hand reassuringly.

Kevin looked around at Walter James. The slender detective was sitting very erect, his head turning slowly from side to side. He was watching the audience instead of the performers. After a moment, he felt her eyes on him and turned to her. "What is it, Walter?" she whispered.

His eyes were gleaming and the corners of his mouth were quirked in a half-smile. "Just checking on our little flock," he whispered back.

Kevin jumped when the tin voice began the familiar cajole: "And now—what every man in San Diego has been dreaming of—the Grand Theater's own—lovely Shasta Lynn!"

The house lights dimmed out. "Walter!" Kevin whispered and put out her hand to him. He was gone.

Walter James jerked open the iron door. Madeline Harms, her back toward him, was standing on the wings looking onto the stage. Over her shoulder he could see Shasta Lynn, cool and blue-gowned, facing the curtain, waiting for it to go up.

Her dressing room door was ajar. Walter James slipped in and shut it behind him. He looked at the unfinished plywood walls speculatively. Then he began to work purposefully, deftly. From his trousers pocket he produced a squat derringer with a short, ornately carved butt. The carrying contrasted with the simple modernity of the twin inset 22 barrels. The gun had two triggers inside the guard, one slightly forward of the other.

Walter James cocked his ear to the music, carefully analyzing the heavy rhythm of the drumbeats. In a moment, Shasta Lynn would begin to sing. He turned the gun mouth toward himself, pointed it slightly upwards, and peered at his aim in the mirror. Loud applause and whistles broke in from out front; that meant that the curtain had gone up. On the crest of a drumbeat, he pressed the forward trigger.

Drowned by music and uproar, the explosion of the 22 was little more than a loud pop. The slug buried itself high in the plywood wall of the dressing room. The thin cut in Walter James' left coat sleeve began to seep crimson.

Hastily, he sat before the dressing table and wiped the refit derringer clean with a make-up rag. He opened the table drawer and, holding the gun in the rag smeared its metal in the loose powder that was scattered there. The slight man regarded the dirtied weapon painfully. His arm was beginning to throb now. He closed the drawer and laid the derringer on the dressing table top, tossing the rag over it. He spread his fingers and looked at his slender hands. Steady as a rock.

He heard footsteps coming toward the door and a smile worked its way quickly across his face. He brought the 38 out of his coat pocket and held it loosely in his hand. Outside, he could hear Shasta Lynn's cool voice singing, "I cried for you—now it's your turn to cry for me..." The knock sounded loud on the thin door. Walter James got up, holding the pistol in his right hand. With his left arm, throbbing from

# ATOMIC BOMB IS NOT DISPLACING OTHER WEAPONS

By ELTON C. FAY  
(Associated Press Military Affairs Reporter)

Washington, Oct. 25 (AP)—The nation's military planners—guided by two wartime uses and six peacetime tests—have decided about where the atomic bomb fits in the rack of weapons for fighting a possible future war.

One authority summed up the official attitude today by saying the United States is not putting all its eggs in one basket. His figurative expression indicates this is how the nuclear fission bomb is viewed:

1. It is the deadliest weapon in the national arsenal, but it by no means has displaced all others.
2. Quick Victory Not Certain
3. It may or may not be a decisive weapon in another war, but used alone it is improbable it could mean victory in a matter of days or even weeks.
4. Because of its broad area of destruction, it is not a selective weapon and its use must be guided accordingly.

A recent article by an air force officer suggested that a fleet of 370 bombers carrying atomic weapons could defeat an enemy in from one to three months. The opinion expressed was the personal view of the officer.

This article, as well as a number of newspaper editorials it prompted, has been circulated in the top level of the national military establishment, it was learned today. While there have been no official statements, these policy making officials have let it be known they deplore any impression that they share the quick-victory-with-atom-bombs idea.

A Strategic Weapon  
Current and projected military spending reveals the trend of thinking by the high command. While several hundred million dollars is being expended this year in atomic energy development, including the improvement and actual production of atomic bombs, the great bulk of the approximately \$12,000,000,000 outlay is for conventional weapons—troops, ordnance, tanks, ships and planes.

The bomb thus becomes essentially a strategic weapon, to be used for two general purposes:

1. Destruction of cities in which war goods are produced or distributed, together with the people producing them.
2. Breaking the will of civilian populations to continue a war.

# Get Barkley Tonight At \$100 Per Plate

Philadelphia, Oct. 25 (AP)—Senator Alben W. Barkley, Democratic vice presidential candidate, will be the principal speaker tonight at the annual \$100-a-plate dinner of the Philadelphia city Democratic committee.

Committee spokesmen said the dinner is expected to add almost \$100,000 to the committee's treasury. The dinner is scheduled for 7:30 p. m. in the Bellevue-Stratford hotel. Barkley's speech is listed for 10:15 p. m. It will be broadcast locally (WFIL-ABC).

Senator Francis J. Myers of Pennsylvania will act as toastmaster. Other scheduled speakers include: Democratic City Chairman James A. Finnegan, Richardson Dilworth, the party's 1947 mayoralty candidate; Mayor David L. Lawrence, of Pittsburgh, and State Treasurer Ramsey S. Black, nominee for state auditor general.

# DEFY RUSSIAN THREAT AGAINST 'WAR MONGERS'

Berlin, Oct. 25 (AP)—Berlin's Socialists gave a defiant answer today to a Russian threat to prosecute six leaders of the anti-Communist city government accused of "warmongering."

A statement published in the official Social Democratic newspaper charged that the Soviet action was intended to terrorize the people of Berlin.

The newspaper added that the people of Berlin, as well as their political leaders, desired peace but that "peace now is endangered by nothing so much as by the actions of the Soviet Military Administration."

Plans Not Clear  
The naming of the councilmen who spoke at an anti-Communist demonstration September 9, which was followed by rioting, came as reports circulated in Berlin of enlarged Soviet police forces and tightening of restrictions.

The Soviet threat to councilmen was contained in a letter Col. Alexis Jelliarov, Soviet deputy commandant, wrote to Walter Schreiber, a Christian Democrat who is deputy chairman of the city assembly.

Although Jelliarov called on the council to take action against the accused he added that the Soviet evidence against "the warmonger" had been "turned over to competent military authorities."

The Russian said the speeches were made at the rally "of a Fascist and militarist nature which

# MAY OPEN DOOR OF UN TO SPAIN IN NEAR FUTURE

By SIGRID ARNE  
(AP Foreign Affairs Analyst)

Before the current United Nations session ends in Paris there is an outside chance that the back door will be pushed open for Spain.

Three times since mid-1945 Gen. Francisco Franco's government has been declared unacceptable as a U.N. member. Then, to back the Allied world's disapproval, the U. S. government got out a pamphlet in March, 1946, publishing part of Franco's war-time correspondence with Adolf Hitler and Benito Mussolini.

It included several expressions of Franco's willingness to join the Axis providing he got the guns and grain. Within the past few weeks, however, a number of prominent Americans have come away from visits to Madrid with kind words for Franco.

"Times Have Changed

A State Department official says "times have changed." He acknowledges that Spain now is eyed from the military standpoint. He says military men must think of Spain in the Allied camp should the

A Delaware and Hudson railroad freight train killed Mrs. Catherine Tarasiewicz, 65, of West Avoca, Sunday as she crossed tracks on her way to church. Police Chief Earl Clifford reported.

Gunshot Victim  
Seventy-year-old Luigi Minissale of Philadelphia died Sunday night of injuries sustained when he was struck by an automobile last Monday.

Justice Laudenslager, 67, of Hummels Wharf, Snyder county, was injured fatally by an automobile Sunday night while walking along a road near his home.

Anthony Giaracco, 21-year-old farmer, was killed Sunday when struck by the charge of a shotgun fired accidentally by a friend near Sellersville, Bucks County. Coroner J. Alfred Rigby reported.

A fire that wrecked a home in Beaver Falls killed two small boys, John Lory, Jr., three, and his brother Ford, eight months. Mrs. John Lory escaped from the house with her third child, Jacqueline, six.

Emmett P. Connolly, 35, of Phil-

adelphia, a Pennsylvania railroad brakeman, was killed when his head struck the edge of a tunnel and he was hurled from the last car of a moving freight.  
Stanley Romanowski, 43, of Larksville, was killed in a rockfall at the Red Ash vein of Loree No. 3 colliery of the Hudson Coal company at Larksville. His body was recovered 12 hours later. A fall outside the home of an aunt killed William Joseph Kolloway, 26 months old, of Washington, D. C., near Cresson.

lined Sunday school and church rally service.

The program for the service follows: Harold E. Shoemaker, an assistant adult superintendent presiding; prelude, "Ave Maria," Mrs. LeRoy Berwager, organist; call to worship, Mr. Shoemaker; songs by the school, "It is Morning in My Heart" and "You Must Open the Door," responsive reading in charge of Mr. Shoemaker; prayer in unison; song, "It is the Crowning Day?"

Orville C. Sentz, assistant general superintendent read Mark 1:16 to 28 as the scripture lesson and the pastor offered the morning prayer. During the offering the choir sang, "Saviour Lead Me." The Men's chorus of Christ church under the direction of Paul Berwager sang, "Onward Christian Soldiers" and "The Foundation of God Standeth Sure." The guest rally day speaker was the Rev. Dr. Harvey D. Hoover, Gettysburg seminary, who spoke on, "Learning from Christ in Church and Home." The service closed with the singing of "More Like the Master" and the benediction by the Rev. Dr. Hoover. Mrs. Berwager played as a postlude, "Jesus Shall Reign."

There were two baskets of flowers on the chance in memory of Mrs. Sarah A. Harner, a life long member of Christ church, who died last Monday evening at the home of her son-in-law and daughter, Mr. and Mrs. Paul Krumrine, Westminster.

the bridesmaids. They wore blue taffeta gowns fashioned on lines of the gown worn by the maid of honor. They carried arm bouquets of yellow pom-poms and rosebuds.

Marshall H. Nichols carried the rings on a satin, heart-shaped pillow. Constance Auchey, the flower girl, wore a yellow taffeta gown with ruffled skirt and carried a basket of fall flowers. The best man was Donald Williams, a brother of the bridegroom and the ushers were Eugene Clapsaddle and Paul Bowers, both of Gettysburg.

Following the service a reception was held at the Grangeville recreation hall for about 150 guests. The bride's table was decorated with fall flowers, candles and wedding bells. A four-tier wedding cake was topped with a miniature bride and groom.

## To Reside Here

The couple left on a wedding trip to an unannounced destination. For her going-away costume the bride wore a blue suit with matching accessories and a corsage of orchids. Upon their return the couple will reside at 22 York street.

A graduate of Hanover high school with the class of 1940, the bride was formerly employed by Coulson Heel in Hanover. The bridegroom is a graduate of Gettysburg high school with the class of 1941 and is employed by Hempf Brothers. He served 37 months in the armed forces, including 29 months in the Pacific.

For the wedding the bridegroom's mother wore a grey street length

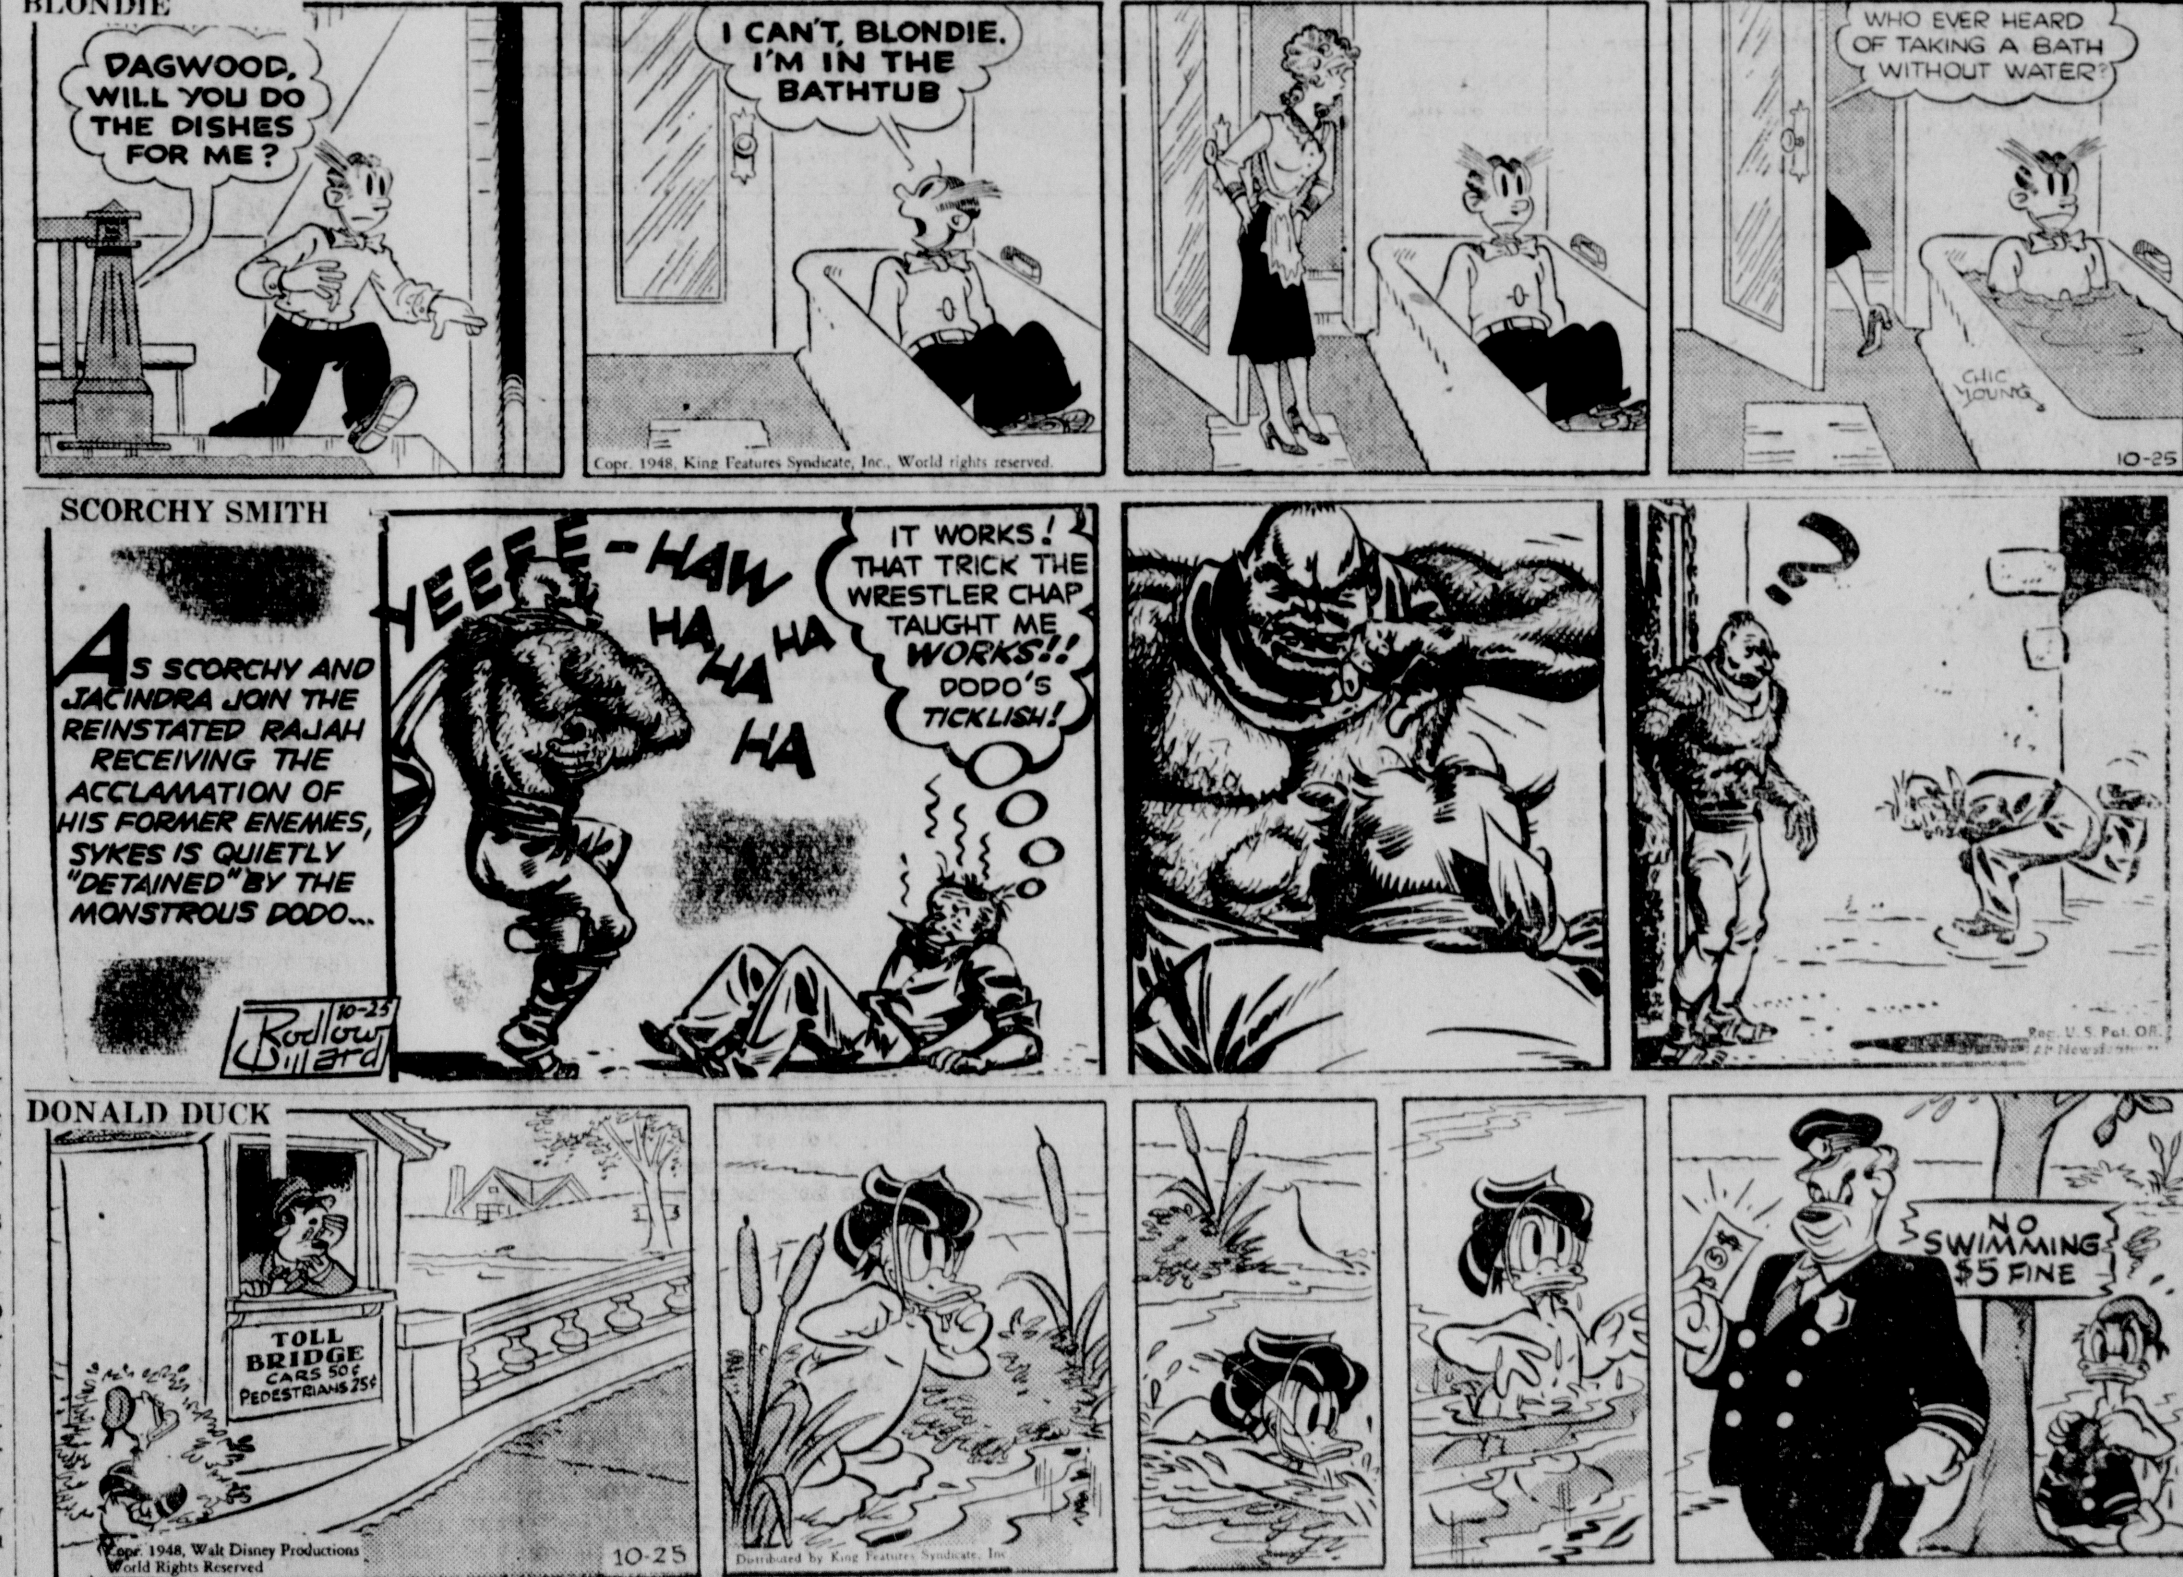

dress with matching accessories and a corsage of sweetheart rosebuds. The bride's mother wore a navy blue street length dress with matching accessories and a corsage of Talisman roses.

# TRUMAN MAKES BID FOR VOTES OF PA. MINERS

By ERNEST B. VACCARO

Aboard Truman Campaign Train, Oct. 23 (AP)—President Truman met John L. Lewis' opposition head-on today with a personal plea to Pennsylvania coal miner votes to help block GOP plans "to crush organized labor to the ground."

The chief executive made no reference to Lewis in an address prepared for delivery in Scranton Pa., but he declared the Republicans wanted to "destroy the growth" of union welfare funds for which the President of the United Mine Workers has long been an advocate.

And he paid pointed tribute to a

predecessor of Lewis as head of the miners in a frank bid for votes in this anthracite stronghold of his old enemy. Lewis only recently termed Mr. Truman a "malignant, scheming individual" who was unfit for the presidency.

The President came to the Pennsylvania coal country by special train for a day-long campaign tour which will end in a major address at Pittsburgh tonight. He will return to Washington before setting out again Sunday night for a final vote roundup in Chicago, Cleveland, Boston, New York and St. Louis.

After laying a wreath at the monument of John Mitchell, who headed the mine workers before World War I, Mr. Truman spoke from the Scranton courthouse steps.

Mitchell, he said was a "great labor organizer," a "great labor statesman" and a pioneer in the development of effective collective bargaining.

Mr. Truman asked the miners to

# MEXICANS WIN BLUE RIBBONS AT HORSE SHOW

Harrisburg, Oct. 25 (AP)—The biggest bundle of blue ribbons of the Pennsylvania National Horse Show belonged today to the Mexican Army jumping team.

The hard-riding cavalrymen from south of the border swept through week-long international competition without losing a team match. They topped off their triumph in the finale Saturday night with the capture of the international military challenge trophy.

And as individuals, they virtually swept the international boards with Col. Humberto Mariles showing one of the finest exhibitions of horsemanship ever seen here. The team left for New York for an exhibition at Madison Square Garden, November 2.

## Individual Winners

The French jumping team gained second place in the trophy event and the Canadian army team placed third.

Individual classes of competition saw Brandywine, owned by Betty Jane Baldwin, West Chester, Pa., carry off the working hunter championship, Ermine Coat, property of rolling Rock farms, Ligonier, Pa., won the conformation hunter championship.

An entry by Seven Star Stables, Southern Pines, N. C., annexed first honors for both green hunters and three- and four-year-old green hunters. It was Flashon, a powerful chestnut gelding.

A last-ditch spurt by All Affre, entered by Millard Farnes, Annville, Pa., enabled him to nose out Cannablis, the early favorite, for the show jumping championship. Cannablis is the property of Dr. J. B. Stauffer, Harrisburg, Pa.

elect Harry O'Neill, Democratic candidate for Congress. He attributed to the Democrats an advance in mine wages in the last 16 years from \$1.70 to \$14 or more a day.

The Republicans, he said, are out to curb the basic rights of working men and women. The "shameful Taft-Hartley act," he asserted, is "only the first step in the long-range strategy of the Republican party to crush organized labor to the ground." The President said it "is like a termite, undermining and eating away your legal protection to organize and bargain collectively."

Mr. Truman then turned to the anthracite health and welfare fund which he said was "a fine thing for the miners."

"But there are some people—even now—who say that it is an overture to ask employers to contribute to any employee welfare fund," Mr. Truman continued. "These selfish, backward-looking men x x x thought they fixed it so that an employer could refuse to bargain with a union about setting up a welfare fund."

The size of American farms varies from an average of about 80 acres in the South through 100 acres in New England to about 400 acres in western wheat growing regions.

# 3 KILLED, 19 HURT IN PLANE CRASH

Chanute Field, Ill., Oct. 25 (AP)—Three men were killed last night in a crash here of a C-47 air force plane carrying 22 persons.

Nineteen injured taken to the base hospital "probably owe their lives to the fact that the plane first hit two empty barracks," Brigadier General F. R. Upthegrove, commanding general, said.

The twin-engine plane, approaching the base in a heavy ground fog, chopped a corner off one barracks and then plowed through a second barracks before smashing to the ground.

"Those old barracks certainly were worth their price," the general said. He believed the wooden two-story structures cushioned the crash, saving the 19 passengers in the cargo plane's fuselage. Those killed, he said, were the pilot, co-pilot and crew chief, all in the plane's crumpled cockpit.

The injured, Gen. Upthegrove said, suffered "mostly head injuries and broken bones. The majority are in good shape."

Officers said the plane was on the proper approach to the landing strip but apparently undershot the field, snapping power lines before hitting the unoccupied barracks. The plane was on the return leg of a trip from Wright Patterson to Long Beach, Calif., where it had gone to pick up reserve officers for two weeks training at Wright Patterson. It had stopped at Albuquerque to refuel.

## STOVE KILLS 7

Massillon, O., Oct. 25 (AP)—A kerosene stove was blamed today for a fire which leveled a two-room dwelling near here and killed all seven members of a family. Victims of the holocaust in the Navarre section early yesterday were Harry DeVoll, 30; his wife, Vivian, 28; and their five children, Jimmy, 6; Evelyn, 5; Howard Leroy, 3; Bill, 2; and Allen Ray, two months.

## N. Y. PREDICTION

Albany, N. Y., Oct. 25 (AP)—New York Republican leaders predict Gov. Thomas E. Dewey will carry his home state November 2 by a margin ranging from 400,000 to 700,000. Democratic spokesmen claim President Truman is coming fast in the stretch and will nip Dewey at the wire to win New York's 47 electoral votes—the largest number for any state.

## DIES IN DENTIST CHAIR

Scranton, Pa., Oct. 25 (AP)—A 13-year-old girl died in nearby Nicholson as a dentist was preparing to extract some of her teeth, Wyoming County Coroner Bryce Sheldon reported. Sheldon said the girl, Dorothy Jane Taylor of Olyphant, had been given a local anesthetic by the dentist, Dr. Joseph Malone, a few minutes before she collapsed in the chair.

## FACES CODE CHARGE

A ten-day notice will be sent by Justice of the Peace John H. Baschore to John H. Rudisill, Gettysburg, R. 3, for a stop sign violation. The charge was filed by borough police.

## Gifts From Chamber

The Chamber of Commerce presented each counselor with a copy of "Gettysburg Sketches," "Human Interest Stories of the Three Days Battles at Gettysburg" and the pictorial book "Gettysburg — The National Shrine."

Al Brown, of Washington, D. C., AAA travel service manager of the National Touring bureau, spoke on winter routes to the west coast. He described new AAA services, new detour maps and new publications at the afternoon meeting.

The fastest, most scenic and best trailer route to Florida was discussed this afternoon by Francis Zink, of Allentown, of the Lehigh Valley Motor club; Minnie Ludwig, Reading, of the Reading Automobile club, and Gerald Lehman, of the White Rose Motor club, of York. Jack Francis, AAA field reporter, spoke on Pennsylvania highways and resorts.

## Banquet Tonight

A reception and banquet for travel counselors attending the three-day school will be held this evening, at which time R. B. Maxwell, of Harrisburg, secretary-manager of the PMF will speak.

Highlights of the school will take place Tuesday when counselors will board buses at 9 a. m. for an all day tour. The tour will include a trip over the Gettysburg battlefield accompanied by battlefield guides and will include visits to the Cyclorama and the National museum. Following luncheon at Graeffenburg Inn counselors will tour Caledonia mountain resorts and the Bedford resort area.

"Winter Travel in Pennsylvania" will be the subject of a talk Wednesday morning by William F. Weiss, manager of the travel department of the Automobile Club of Pittsburgh. A forum on travel counselor problems and a question period conducted by Mr. Brown will close the school. C. E. Pugh, of Harrisburg, P.M.F. representative, is in burg, P.M.F. representative, is in

## Go To Rescue Of

## Landing Vessel

Norfolk, Va., Oct. 25 (AP) — Two destroyers and a tug bucked heavy seas today in an attempt to reach a small landing vessel in trouble 140 miles northeast of Cape Henry.

Atlantic fleet headquarters reported there are between 30 and 40 men on the vessel. A headquarters spokesman said she was in no immediate danger. The vessel is an LCL (Landing Craft, Infantry, Large). She was en route from Miami to Boston with naval reservists from the First Naval District aboard.

The Victory ship Junius Smith reached the landing craft at 4 a. m. (EST). She radioed shortly before 8 a. m. (EST) she was steaming to windward of the disabled vessel and pumping oil on the ocean to smooth the heavy seas. The Junius Smith said she would stand by until the destroyers and the tug arrive.

# 'INDIAN SUMMER' ORIGIN TRACED

"Indian Summer" is a term that springs readily to the lips of city dweller and countryman alike during the hazy delayed warm period in autumn, but many persons who use the phrase are unaware of its origin.

Baer's Agricultural Almanac, published since 1825 at Lancaster, Pa., has delved into its files for the answer. "Indian Summer," some persons have said, was the time when the American Indians harvested their corn. Daniel Webster said the colonists used the term because they ascribed the heat and haze to the burning of the prairies by the Indians at this time.

The 1949 edition of Baer's Almanac contains a third—and possibly more likely—explanation. It is reprinted from the Almanac's 1828 issue.

Winter's approach was hailed by the colonists with rejoicing, for it froze the fighting period, according to the 1828 Almanac. This meant that the farmers could leave the forts where they had banded for months to repulse attacks, and return to their homes and lands.

"It, however, sometimes happened that, after the apparent onset of winter, the weather became warm," Baer's Almanac said in 1828; "the smoky time commenced and lasted for a considerable number of days. This was the Indian Summer, because it afforded the Indians another opportunity of visiting the settlements with their destructive warfare. The melting of the snow saddened every countenance, and the genial warmth of the sun chilled every heart with horror. The fear of another visit from the Indians, and of being driven back to the detested fort, was painful in the highest degree, and this distressing apprehension was frequently realized."

# Calls Democratic Party Disorganized

Allentown, Pa., Oct. 25 (AP)—The "once great Democratic party is completely disorganized," says U. S. Sen. Edward Martin.

"It presents a picture of division, confusion and disruption," Martin told a Lehigh county Republican rally. "It is split into rival factions, each at war with the other."

The senator said President Truman "has failed in the leadership of his own party" and "failed to furnish leadership for the nation x x x."

# Deny Motions For Acquittal Of Reds

New York, Oct. 25 (AP)—Motions by 12 top-ranking leaders of the Communist party in the United States seeking dismissal of Federal Grand Jury indictments against them were denied on Friday by Federal Judge Murray Hulbert.

The dismissals were sought by William Z. Foster, national party chairman, and 11 other party leaders, all of whom are members of

the party's national board. The indictments charge the 12 with advocating and teaching the overthrow of the U. S. government by force and violence. Their trial is scheduled to start November 1. Foster and his co-defendants sought dismissal of the indictments on the ground that the federal act under which they were obtained was unconstitutional. Judge Hulbert declared that "it is not the function of a district court judge to declare a statute unconstitutional unless the answer clearly appears on its face."
